# Entrance Requirements of University Grants Committee-funded <br> Institutions on Mathematics (With the Admission Requirements of Associate Degree and Higher Diploma Programmes) 

Students applying for the 4-year undergraduate programmes offered by the UGC-funded institutions have to attain Level 2 for Mathematics in HKDSE (Please visit the website http://334.edb.hkedcity.net/new/en/multiplepathway.php for general entrance requirements of individual institutions). Institutions may set additional faculty/programme requirements in consideration of the specific nature and needs of the programmes, as well as students' abilities required to benefit from their studies. The additional requirements or selection criteria on the Compulsory Part (CP) and the Extended Part (EP), which is comprised of Module 1 (M1) and Module 2 (M2), of Mathematics are as follows*:
