## 6. Curriculum Map – Organisation and Structure

- Applied Learning Chinese (for non-Chinese speaking students) [ApL(C)] consists of ApL(C) I, ApL(C) II and ApL(C) III. Each level consists of three modules: Oral Communication (Cantonese), Reading and Writing.

Modules	Lesson Time		
	ApL(C) I	ApL(C) II	ApL(C) III
<b>Oral Communication (Cantonese)</b>	18 hours	18 hours	40 hours
<b>Reading</b>	27 hours	27 hours	55 hours
<b>Writing</b>	20 hours	20 hours	45 hours
	<b>65 hours</b>	<b>65 hours</b>	<b>140 hours</b>

## 7. The Context

- The information on possible further study and career pathways is provided to enhance students' understanding of the wider context of the specific Applied Learning course.
- The recognition of Applied Learning courses for admission to further studies and career opportunities is at the discretion of relevant institutions. Students who have successfully completed Applied Learning courses have to meet other entry requirements as specified by the institutions.
- Daily life and work contexts (e.g. tourism, hotel, retail, logistics services, public relations, social and public services) are adopted as the context for learning and application of Chinese.
- In the language learning process, students apply reading, writing, listening and speaking skills in an integrative way and learn the target language in different contexts, which prepares them for application for further studies and in the workplace.

## **8. Learning and Teaching**

Applied Learning Chinese (for non-Chinese speaking students) is designed from the perspective of second language learners with applied learning context related to professional and vocational fields for students to learn Chinese through different modes of activities, e.g. daily oral communication, role play, group discussion, visit, and practical reading and writing for language learning.

## **9. Curriculum Pillars of Applied Learning**

Applied Learning Chinese (for non-Chinese speaking students) develops students' career-related competencies, foundation skills (communication skills), thinking skills and people skills as well as to nurture their proper values and attitudes as in Applied Learning curriculum pillars through application and practice.
