

Little Seedling Tells You:

Environmental Education (Action)

Learn about the 4Rs

環境與生活

Reduce

01

Reduce consumption and purchase
Avoid over-packaging
Saving resources through a green living

Reuse

02

Reduce waste and reuse
Discover their new value
Turn packaging boxes for storage
Be tidy and environmentally friendly

Recycle

03

Sort household waste
e.g. paper, plastic, metal and glass
recycling into new materials

Replace

04

Replace disposable plastic
with reusable ones

05

Practise the 4Rs in our daily life

Develop green lifestyle
Simple life is better
