

## **Audiobooks on “Learning and Teaching Series on Geography of China” and Geography Online Game Platform for Understanding Our Motherland**

### **Purpose**

This is to inform heads of primary and secondary schools about the details of the captioned audiobooks and online game platform.

### **Details**

2. In response to The Chief Executive’s 2022 Policy Address to strengthen students’ sense of national identity and national pride, the Education Bureau (EDB) has produced eleven sets (Chinese version) and seven sets (English version) of audiobooks for upper primary and junior secondary school students to enhance their understanding of the geography of our country. The EDB is going to release the remaining four sets of audiobooks (English version). The themes include (1) Agriculture, (2) Industry, (3) City, and (4) Transport.

3. The EDB has also produced the online platform “Geography: Online Game Platform for Understanding Our Motherland” which contains eleven interactive games designed for upper primary and junior secondary students respectively. The platform also contains reference materials for students’ prior reading before playing the games. The Chinese version of the eleven online games have been uploaded to the EDB’s website. The English version of the first four online games, namely (1) Our territory and major cities, (2) Topography and relief, (3) Rivers and (4) Weather and climate, is now released; the remaining seven English online games will be available in due course.

4. The above-mentioned audiobooks and online platform have been uploaded to the EDB’s website. The web link is as follows:
