

AR Thematic Map “我國的氣候與生活” (electronic version) (Chinese version only)

Purpose

This is to inform heads of primary and secondary schools about the details of the captioned thematic map.

Details

2. In response to The Chief Executive’s 2022 Policy Address to strengthen students’ sense of national identity and national pride, the Education Bureau (EDB) has produced an AR thematic map (Chinese version only) to support the learning and teaching of national geography in schools, so as to enhance students’ understanding of our country’s climate and its relationship with agricultural activities, food culture, and architecture. This AR map was distributed to schools in April 2024. The electronic version of this map and the files related to climate are now available for use by teachers and students.

3. The above-mentioned AR map has been uploaded onto the EDB website below for reference and use by teachers and students.
