Date : 12 July 2024

Smart City Project Programme 2023/24

Smart City Project Exhibition cum Prize-presentation Ceremony

SUMMARY

The purpose of this circular memorandum is to inform primary and secondary schools of the organisation of the Smart City Project Exhibition cum Prize-presentation Ceremony of the “Smart City Project Programme 2023/24” by the Education Bureau (EDB).

BACKGROUND

2. To strengthen students’ understanding of Smart City and further develop their creativity, data literacy and capability in the applications of Mathematics, EDB collaborates with tertiary institutions, professional organisations, and other government departments¹ to organise the “Smart City Project Programme” in this school year (2023/24). We have provided students and teachers with a variety of activities, including smart city project learning activities, the online quiz “Smart City Knowledge Challenge” (SCKC), seminars, workshops and visits. Schools were highly engaged in the above activities and the events were smoothly conducted.

3. We plan to organise the Smart City Project Exhibition cum Prize-presentation Ceremony in late-November 2024 to showcase the student projects selected by the adjudication panel. Students’ learning outcomes will also be celebrated in the prize-presentation ceremony.

¹ The supporting organisations include (by alphabetical order) Census and Statistics Department, e-Learning Development Lab of the University of Hong Kong, Environment and Ecology Bureau, Esri China (HK), Hong Kong Association for Computer Education, Hong Kong Institution of Engineers, Hong Kong STEM Education Alliance, HK Tech 300 of City University of Hong Kong, Department of Mathematics and Information Technology of the Education University of Hong Kong, MTR Corporation Limited, Office of the Government Chief Information Officer, the Hong Kong Polytechnic University, and Vocational Training Council.

DETAILS

4. The Smart City Project Exhibition cum Prize-presentation Ceremony is one of the EDB activities for celebrating the 75th Anniversary of the Founding of the People's Republic of China. It is also the grand finale of the Smart City Project Programme. Details of the event are as follows:

Date: **27 November 2024 (Wednesday)**

Time: **09:00 – 15:30 (Ceremony: 10:30 – 12:00)**

Venue: **Grand Hall of Hong Kong Science and Technology Park (HKSTP) at Pak Shek Kok, Shatin, N.T.**

5. All schools are invited to participate in the Smart City Project Exhibition. The exhibition will showcase students' innovative ideas and projects on the smart use of credible and authentic data in society, as well as explore how the ideas of smart cities can be implemented at home, school, community or city level. For further information, please refer to **Annex 1**.

6. Schools planning to arrange students to visit the above exhibition are reminded to reserve time for that day, and sign up through the online form (<https://forms.gle/igwBzpwu9bPx1Umc7>) by 30 August 2024 (Friday) to notify this Bureau for necessary arrangements.

7. EDB will separately invite the winning schools of the Smart City Project Programme and SCKC to attend the prize-presentation ceremony. The list of awardees and other relevant information have been uploaded to the EDB's webpage for the "Smart City Project Programme 2023/24" (<https://www.edb.gov.hk/en/curriculum-development/kla/ma/res/sa/smartcity.html>). The related multimedia learning and teaching materials of the winning entries will also be uploaded to this webpage in December 2024 for schools' reference.
