Details

2. Starting from the 2019/20 school year, the Education Bureau (EDB) has provided the Promotion of Reading Grant for Kindergartens for all kindergartens, kindergarten-cum-child care centres and schools with kindergarten classes (collectively referred to as KGs hereafter) joining the Kindergarten Education Scheme to support them to continue the promotion of reading so as to further nurture children’s reading interest and help them develop a reading habit. The amounts of the grant will be adjusted in accordance with the movement of the Composite Consumer Price Index each year. The amounts of the grant for the 2024/25 school year has been adjusted upward by 1.5%. The revised amounts of the grant are indicated in the table below:

Tier	Approved No. of Students (Total number of students holding a valid “Registration Certificate for Kindergarten Admission” according to the figures on 3 October 2024¹)	Grant rates (\$) (for a school year)
1	80 or below	10,677
2	81 to 300	16,016
3	above 300	21,354

¹ EDB will determine the amount of grant for each KG according to the total number of students holding a valid “Registration Certificate for Kindergarten Admission” on 3 October every year as captured in the Kindergarten Education Scheme System. If 3 October falls on a Saturday, Sunday or public holiday, the following school day will be taken as the basis for determining the amount of grant for a KG.

3. Details on the usage of the Promotion of Reading Grant for Kindergartens, funding disbursement, accounting and audit arrangements, reserve ceiling and clawback, and accountability remain unchanged.
