The 14th Learning and Teaching Expo

Summary

The purpose of this circular memorandum is to inform kindergartens, primary, secondary, and special schools of the 14th Learning and Teaching Expo (LTE). All school heads and teachers are invited to attend the event.

Details

2. The 14th LTE is presented by Hong Kong Education City (EdCity), organised by Bailey Communications HK Limited and supported by the Education Bureau. LTE 2024 will be held from **11 to 13 December 2024 (Wednesday to Friday)** at Hall 3B-E of the Hong Kong Convention and Exhibition Centre.

3. To realise the vision of “Tomorrow’s Learning Today”, LTE sets the theme as “Shaping Education for a World of Change” this year. LTE aims to provide a professional platform for school leaders and teachers to discover and discuss the latest developments and trends in learning and teaching, educational resources and technology, featuring over 520 booths presented by local and overseas exhibitors, and over 270 keynote presentations, seminars, workshops and open lessons hosted by renowned educators from all around the world. The Expo this year will continue to cover a great variety of topics, including artificial intelligence, language learning, education for sustainable development, teacher professional development, student global exposure, parent education, and more. Speakers will share their practical insights to enhance the learning and teaching experience.

4. LTE is now open for registration. For event and registration details, please visit the homepage of LTE at www.ltexpo.com.hk/. Schools are encouraged to assign the LTE as one of the major staff professional development activities. The organiser will provide attendance reports and certificates to schools for participants to record the CPD hours in their personal profiles in the e-Services Portal by themselves.
