Registration

1. Parents / guardians may register our service for eligible children through one of the following means:

 - (b) Submit the completed registration form and the required documents by post to the nearby REO and specify “Registration for Placement Assistance Services” on the envelope. If by post, the postmark date on the envelope will be regarded as the date of submission of registration. To avoid delayed or unsuccessful delivery of registration, please ensure that the correct address is clearly printed or written on the envelope and sufficient postage has been affixed before posting. Mail items bearing insufficient postage will not be delivered to this Bureau and will be returned to the sender or disposed of by the Hongkong Post, where appropriate; or
 - (c) Submit the completed registration form and the required documents by email or fax to the nearby REO.
2. For parents / guardians submitting their registration by post, email or fax, the EDB would contact parents / guardians via phone within five working days upon receipt of the registration documents and request them to bring along the original copies of the required documents (and their children for cases concerning newly arrived children) to visit the respective REO for verification. If parents/ guardians do not receive our phone call after five working days, please contact the nearby REO for follow up.
3. Parents / guardians could only register for their children with the residential address once. The EDB will not process the duplicated registration.
4. Save for school-attending children who cannot continue their studies in the original schools for reasons such as moving houses, the EDB will not accept registration of children who have been allocated a school place under the School Places Allocation Systems or are studying at a government or aided school.

Required Documents

5. When submitting the registration, parents / guardians should attach photocopies of their children’s identity documents, proof of attained academic qualifications and proof of residential address. Parents / guardians registering in person should also bring along the original copies.
6. Proof of residential address that REOs accept includes, but not limited to, stamped tenancy agreement, demand note for rates, public housing tenancy agreement or water / electricity / town gas / residential telephone bills. The proof of residential address should bear the name of the parent / guardian, the issuing date and the name of issuing organisation. If parents / guardians cannot provide the above acceptable proof of residential address, the EDB may request parents / guardians to make sworn declaration at the respective REOs or provide supplementary documents as further proof of the child’s residential address.
