Learning Outcomes

- Students have **positive reflections** of the curriculum.
- They **enjoy the English lessons more than before.**
- **Primary 1 students gained progress in writing.** Previously, students learn how to write independently in Primary 2 but after the implementation of our curriculum, our students are confident in using English to communicate and this is reflected in their motivation to write in English on their own starting from Semester 2 of their Primary 1 year.

There are two decorative elements: a pinkish-orange torn-edge strip in the top-left corner and a greenish-teal torn-edge strip in the bottom-right corner. The main content is enclosed in a white rounded rectangle.

Conclusion

We nurture our students with the **foundation skills, thinking skills and self-learning habits and encourage them to extend their learning so that they can become independent lifelong learners.**
